Hi Bernward,

It will be fine to keep the chapters large for review, I requested that the chapters be separated so that is fine.

9:30 I am available for ½ hr, so please send me your highlights or summary of what you want to discuss.

No 3pm meeting today if I am on the phone this morning at 9:30.

I would start on edits to chapter 5 and I will send the rest of the comments this morning.

Chapter 3 will be sent out today as well., thanks, Jeannie

Bernward,

I have additional comments on Chapter 5. Ok

I would ask that you separate the chapters instead of one large document into the 3 chapters so they can be revised and sent out for review by chapter. No problem; will do.

Uploading files to ftp each time I provide comments is not as efficient as being able to email them directly. I know these are large files but in order for us to conduct our review, I will need the chapters provided as separate documents since not all of the folks internally will be reviewing all chapters. Chapter 4 is currently 52 mB due to all the graphics; Chapters 5 and 8 are 1 mB. I will try to see if I can scale Chapter 4 back to 'emailable' size, or would have to cut it into 3 or 4 separate files that each could be emailed.

So far for chapter 5, I would ask you to review and make similar edits.

If you want to discuss further, I can be available tomorrow morning in place of the afternoon call but I won't be available for both. Understood. Could we talk this morning: perhaps at 8:30am, 9:00am, or 9:30am? Thanks.

Thanks, jeannie

Hi Jeannie,

FYI, we have addressing your comments for a revised version. I have a few questions to be discussed either this afternoon, tomorrow morning, or the regular call at 3pm tomorrow. Sooner would be better. What works for you schedule-wise?

Thanks,

Bernward.
